Student Competition Best of 8ECM

Form teams and find best solutions in the fields of
Financial Mathematics and Actuarial Science!

Students at all levels of studies are invited to apply for the
competition within the 8th European Congress of Mathematics and
win a cash prize of € 1,250!

The competition is held under the auspices of the
Slovenian Insurance Association.

Want to see if your team has what it takes?
Visit the 8ECM website to find out more!
